

Swift Series

SIGNALLING RECORD SOCIETY

John Swift Collection Signal Boxes, Ground Frames and Branches Included

Listed alphabetically with pre-grouping company and volume number.

The list of locations represents the extent of British Railways, London Midland Region, in the mid to late 1950s.

Volumes 1 to 18 are only available in paper form from the Society web site. Volumes 45 to 51 are available both on DVD and in paper form, also from the Society web site.

RailRef Line Code Company Initials (joint lines listed under one company only)
