

BRITISH RAILWAYS (WESTERN REGION)

MARGAM YARD

Between the hours of 0800 Sunday, 13 May and 1700 Sunday 20 May, or until work is completed the CS&TE and DCE will be carrying out the following work in connection with the rationalisation of Margam Yard.

HUMP YARD

Nos. 1 - 7 incl. Reception Sidings including Arrival 'A' line, will be placed out of use pending recovery.

SORTING SIDINGS

Sidings Nos. 27 - 44 incl. will be temporary stop blocked at the Hump end, pending the provision of permanent stop block.

The lead from the Hump Summit to Sidings 45 - 51, will be taken out of use, pending recovery.

KNUCKLE YARD

Sidings 4 - 20 incl. will be placed out of use, pending recovery.

The Departure line between the Sorting Sidings and Knuckle Yard will also be placed out of use pending recovery.

All associated signalling will be recovered.

Area Manager, Margam and DSI Swansea to make all the arrangements for safe working including the appointment of the necessary Handisignalmen in accordance with Section E of the Rule Book.

Please acknowledge receipt on form below.

DIGITAL ARCHIVE

This PDF Copy has been created by David Allen in order to assist your research into UK signalling.

This file is one of a number scanned by David Allen using material from the SRS Archive collection.

You may also like to provide copies of Signalling Notices and Weekly (and periodical) Operating Notices or other notices as scans or as originals. The SRS is always willing to accept donations of any signalling or signalling related material for inclusion in the Society's Archive. Please contact the [Archivist](#) in the first instance.

For a list of PDFs currently available visit the [Archives](#) pages of the SRS Web Site.

If you have benefited from this PDF copy, why not [join](#) the Signalling Record Society and receive support for your researches and access to the Society's Archives

Members receive "The Signalling Record" six times annually plus a newsletter and have the opportunity to purchase SRS [books](#) and other [publications](#) at a discount. They also have access to back issues of The Newsletter and The Signalling Record which are only available to members. These contain a wealth of information accumulated since 1970, much of which is not readily available anywhere else.

In addition, Members have the opportunity to join signalling related visits to locations on the UK national and London Underground systems; and to other UK Railways.
