

C. J. Woolsterholmes,

BRITISH RAILWAYS
(LONDON MIDLAND REGION)

SPECIAL NOTICE 35E

LLANDUDNO JUNCTION

NOTICE TO DRIVERS, GUARDS, SIGNALMEN AND OTHERS CONCERNED IN CONNECTION
WITH RESIGNALLING TO BE CARRIED OUT ON SUNDAY, 17 FEBRUARY 1985

The attached diagram with list of signal routes shows the resignalling of the Llandudno Junction area consequent upon the bringing into use of a new power signal box at Llandudno Junction located adjacent to the existing box which will be taken out of use.

All main signals worked from Llandudno Junction will be plated as shown on the diagram and all signals capable of displaying a Red aspect will be provided with a signal post telephone.

The Tamper Siding ground frame will be released from Llandudno Junction box and telephone communication thereto will be provided.

The double line between Llandudno Junction and Llandudno Station will be reinstated and the Absolute Block System will apply. This line will be fitted with the Automatic Warning System.

IMPORTANT - This notice to be acknowledged immediately on receipt to "Operating OD14 - Crewe", using the code "ARNO 35E"

DIGITAL ARCHIVE

This PDF Copy has been provided free of charge by David Allen in order to assist your research into UK signalling.

This file is one of a number scanned by David Allen using material from his own collection and from the collections of Phil Deaves, Robert Dey, David Ingham, Simon Lowe, John McCrickard, John Midcalf, Roger Newman, Richard Pulleyn and Chris Wolstenholmes. Thank you one and all. Many of the original documents are now in the SRS Archive or at the National Railway Museum.

You may also like to provide copies of Signalling Notices and Weekly (and periodical) Operating Notices as scans or as originals. The SRS is always willing to accept donations of any signalling or signalling related material for inclusion in the Society's Archive. Please contact the [Archivist](#) in the first instance.

For a list of PDFs currently available visit the list of [Weekly](#) Notices or [Signalling](#) Notices page.

If you have benefited from this PDF copy, why not [join](#) the Signalling Record Society and receive support for your researches and access to the Society's Archives

Members receive "The Signalling Record" six times annually plus a newsletter and have the opportunity to purchase SRS [books](#) and other [publications](#) at a discount. They also have access to back issues of The Newsletter and The Signalling Record which are only available to members. These contain a wealth of information accumulated since 1970, much of which is not readily available anywhere else.

In addition, Members have the opportunity to join signalling related visits to locations on the UK national and London Underground systems; and to other UK Railways.
