## **SUNDAY, 30th MARCH, 1958**

---

Between the hours of 7.0 a.m. and 5.0 p.m. Sunday, 30th March, 1958, a new facing connection will be installed between the Up Goods Line and the Siding known as Lillie Bridge No. 1 Siding at a point 527 yards from Kensington South Main Signal Box.

The connection will be worked from a new one lever Ground Frame named Kensington South No. 3 Ground Frame, situated between the Up Goods and Up Main Lines 527 yards from Kensington South Main Signal Box. The Ground Frame will be controlled by an interlocking lever in Kensington South Main Signal Box which will release a "C" pattern Annetts Key in the Key Release Instrument at the Ground Frame. A telephone in circuit with Kensington South Main Signal Box only will be provided at the Ground Frame.

Occupation of the locking frame at Kensington South Main Signal Box will be required for the purpose of unbolting a lever.

The attached sketch shews the final layout and Signalling at Kensington South Main, Up Main and Down Main Distant Signals will be disconnected and maintained at Caution.

## DIGITAL ARCHIVE

This PDF Copy has been provided free of charge by David Allen in order to assist your research into UK signalling.

This file is one of a number scanned by David Allen using material from his own collection and from the collections of Phil Deaves, Robert Dey, David Ingham, Simon Lowe, John McCrickard, John Midcalf, Roger Newman, Richard Pulleyn and Chris Wolstenholmes. Thank you one and all. Many of the original documents are now in the SRS Archive or at the National Railway Museum.

You may also like to provide copies of Signalling Notices and Weekly (and periodical) Operating Notices as scans or as originals. The SRS is always willing to accept donations of any signalling or signalling related material for inclusion in the Society's Archive. Please contact the [Archivist](#) in the first instance.

For a list of PDFs currently available visit the list of [Weekly](#) Notices or [Signalling](#) Notices page.

If you have benefited from this PDF copy, why not [join](#) the Signalling Record Society and receive support for your researches and access to the Society's Archives

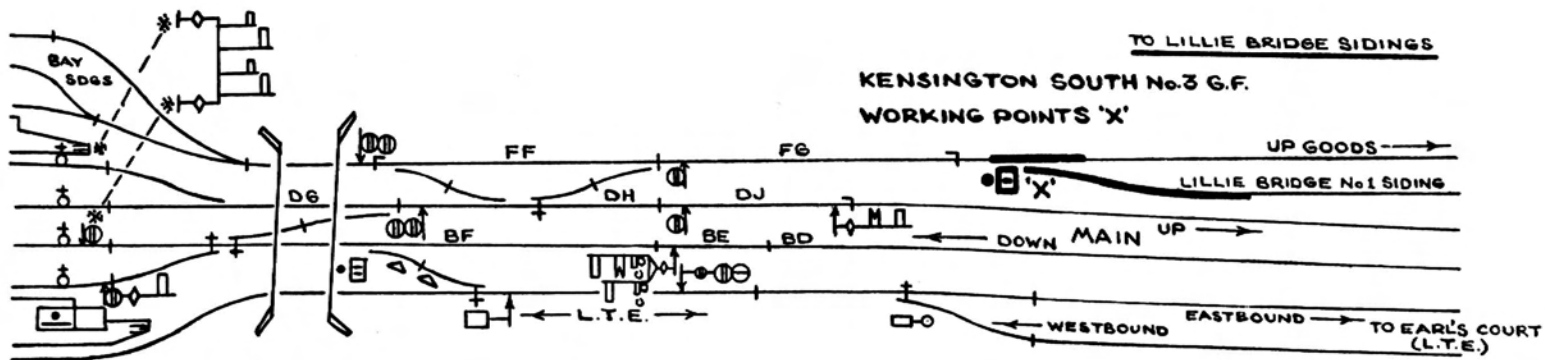

Members receive "The Signalling Record" six times annually plus a newsletter and have the opportunity to purchase SRS [books](#) and other [publications](#) at a discount. They also have access to back issues of The Newsletter and The Signalling Record which are only available to members. These contain a wealth of information accumulated since 1970, much of which is not readily available anywhere else.

In addition, Members have the opportunity to join signalling related visits to locations on the UK national and London Underground systems; and to other UK Railways.
