Notice to Enginemen, Guards, etc.

SIGNAL ALTERATIONS—

**READING WEST
JUNCTION**

**SATURDAY 22nd FEBRUARY TO
MONDAY 24th FEBRUARY, 1969**

Between 22 00 hours on Saturday 22 February and 16 00 hours on Monday 24 February, or until completion, the Chief Signal and Telecommunications Engineer will be engaged in carrying out the following work.

New connections, position light and routes will be brought into use in accordance with the enclosed sketch.

At the same time the following routes to engine line will be brought back into use:-
R.45C., R.145D., R.511D., R.513D., R.515D.

Routes R.531 together with R.521A and R.525A will be taken permanently out of use.

Telephone communication between signals R.562, R.564 and Reading Panel signal box will be provided.

Track circuits will be adjusted accordingly.

SIGNALLING RECORD SOCIETY

DIGITAL ARCHIVE

This PDF Copy has been provided free of charge by David Allen in order to assist your research into UK signalling.

This file is one of a number scanned by David Allen using material from his own collection and from the collections of Phil Deaves, Robert Dey, David Ingham, Simon Lowe, John McCrickard, John Midcalf, Richard Maund, Richard Pulleyn, Roger Newman and Chris Wolstenholmes. Thank you one and all. Many of the original documents are now in the SRS Archive or at the National Railway Museum.

You may also like to provide copies of Signalling Notices and Weekly (and periodical) Operating Notices or other notices as scans or as originals. The SRS is always willing to accept donations of any signalling or signalling related material for inclusion in the Society's Archive. Please contact the [Archivist](#) in the first instance.

For a list of PDFs currently available visit the [Archives](#) pages of the SRS Web Site.

If you have benefited from this PDF copy, why not [join](#) the Signalling Record Society and receive support for your researches and access to the Society's Archives

Members receive "The Signalling Record" six times annually plus a newsletter and have the opportunity to purchase SRS [books](#) and other [publications](#) at a discount. They also have access to back issues of The Newsletter and The Signalling Record which are only available to members. These contain a wealth of information accumulated since 1970, much of which is not readily available anywhere else.

In addition, Members have the opportunity to join signalling related visits to locations on the UK national and London Underground systems; and to other UK Railways.

To join the Signalling Record Society visit

www.s-r-s.org.uk/membform.html

All arrangements for the safe working of the line (including the appointment of Handsignalmen) must be made by the District Inspector in accordance with Rule 77.
