

Ref : 43/WS
Extn.: 074-2632

Divisional Manager's Office,
New Works Section,
BRISTOL.

15 November, 1974

SUPPLEMENTARY NOTICE OF SIGNALLING ALTERATIONS ETC.
SECTION "C" OF THE K2/- SPEED AND ENGINEERING NOTICE.

BRISTOL

(NORTH SOMERSET JCN. AND DR. DAYS JCN.)

BETWEEN SATURDAY 23 NOVEMBER AND
MONDAY 9 DECEMBER 1974

The junction between Main and Goods lines at North Somerset Junction will be re-modelled and new connections will be brought into use as shown in heavy type on the enclosed diagram. The points will be motor worked by the G.E.C. - G.S. Co's style H.W. point machines and the relevant instructions for the emergency operation of these machines have been issued separately.

A new signal, B165, and associated A.W.S. inductor, applicable to the Up Avoiding line will be introduced on the new bracket carrying Signal B465. Please see diagram. A telephone, giving exclusive communication with the Signalmen at Bristol signal box, will be provided at this signal. New routes will be provided for signals B152, B252, B540 and B542 leading to signal B165. Additional routes will also be provided on signals B265 and B577 and the routes from signals B65 and B465 leading to the Down Goods line will be recovered. Revised routing arrangements are shown in the enclosed table, any additional routes being identified.

DESCRIPTION OF SIGNALS

KEY TO ABBREVIATIONS

M.	Main Aspect	R.I.	Route Indicator
D.A.	Draw - Ahead Aspect	J.I.	Junction Indicator
S.	Shunting Signal	*	New Route

DIGITAL ARCHIVE

This PDF Copy has been provided free of charge by David Allen in order to assist your research into UK signalling.

This file is one of a number scanned by David Allen using material from his own collection and from the collections of Phil Deaves, Robert Dey, David Ingham, Simon Lowe, John McCrickard, John Midcalf, Roger Newman, Richard Pulleyn and Chris Wolstenholmes. Thank you one and all. Many of the original documents are now in the SRS Archive or at the National Railway Museum.

You may also like to provide copies of Signalling Notices and Weekly (and periodical) Operating Notices as scans or as originals. The SRS is always willing to accept donations of any signalling or signalling related material for inclusion in the Society's Archive. Please contact the [Archivist](#) in the first instance.

For a list of PDFs currently available visit the list of [Weekly](#) Notices or [Signalling](#) Notices page.

If you have benefited from this PDF copy, why not [join](#) the Signalling Record Society and receive support for your researches and access to the Society's Archives

Members receive "The Signalling Record" six times annually plus a newsletter and have the opportunity to purchase SRS [books](#) and other [publications](#) at a discount. They also have access to back issues of The Newsletter and The Signalling Record which are only available to members. These contain a wealth of information accumulated since 1970, much of which is not readily available anywhere else.

In addition, Members have the opportunity to join signalling related visits to locations on the UK national and London Underground systems; and to other UK Railways.
