NOTICE NO.L.X.O.133

BRITISH RAILWAYS
(Western Region)
(For the use of Employees only)

NOTICE TO ENGINEEMEN, GUARDS, ETC.

SIGNAL ALTERATIONS

OLD OAK COMMON (HANWELL)

SATURDAY, 4TH MAY
UNTIL FURTHER NOTICE.

Commencing Saturday, 4th May, until completion, the Divisional Signal and Telecommunications Engineer will be engaged in carrying out the following work, as shown below:-

The existing Connections to the West Loop will be recovered, and new Connections brought into use to give an amended layout as shown on the attached sketch.

UR 7 Signal will be changed from automatic to controlled working and will be renamed OO 121.

Signal 00489 will be repositioned, and have additional routes provided, as shown on the sketch.

Track Circuits will be adjusted accordingly.

All new Connections will be electrically operated by M.V. GRS Type 5A point machines.

Occupation of the Control Panel will be required for the purpose of alteration and testing.

All arrangements for the safe working of the line, together with the appointment of any Handsignalmen required in accordance with Section "E" of the Rule Book, will be made by the District Inspector (Signalling), Old Oak Common.

Please see reverse side of this Notice for the sketch of the revised layout at Hanwell.

H.N.TODD,
Divisional Manager,
READING.

May 1974.

STATION AND DEPOT SUPERVISORS please acknowledge receipt by wire immediately to:- Divman 1 - XO/Reading - Arno L.X.O. 133

DIGITAL ARCHIVE

This PDF Copy has been provided free of charge by David Allen in order to assist your research into UK signalling.

This file is one of a number scanned by David Allen using material from his own collection and from the collections of Phil Deaves, Robert Dey, David Ingham, Simon Lowe, John McCrickard, John Midcalf, Richard Maund, Richard Pulleyn, Roger Newman and Chris Wolstenholmes. Thank you one and all. Many of the original documents are now in the SRS Archive or at the National Railway Museum.

You may also like to provide copies of Signalling Notices and Weekly (and periodical) Operating Notices or other notices as scans or as originals. The SRS is always willing to accept donations of any signalling or signalling related material for inclusion in the Society's Archive. Please contact the [Archivist](#) in the first instance.

For a list of PDFs currently available visit the [Archives](#) pages of the SRS Web Site.

If you have benefited from this PDF copy, why not [join](#) the Signalling Record Society and receive support for your researches and access to the Society's Archives

Members receive "The Signalling Record" six times annually plus a newsletter and have the opportunity to purchase SRS [books](#) and other [publications](#) at a discount. They also have access to back issues of The Newsletter and The Signalling Record which are only available to members. These contain a wealth of information accumulated since 1970, much of which is not readily available anywhere else.

In addition, Members have the opportunity to join signalling related visits to locations on the UK national and London Underground systems; and to other UK Railways.
