Divisional Manager's Office,  
Works Section, BRISTOL

16 October, 1978

SUPPLEMENTARY NOTICE OF SIGNALLING ALTERATIONS

SECTION 'C' OF THE K2/ - SPEED AND ENGINEERING NOTICE

# SWINDON - WOOTTON BASSETT.

BETWEEN SATURDAY 28 AND MONDAY 30 OCTOBER 1978

The D.S. & T.E. will be engaged in carrying out the following work in connection with High Speed running.

Signals SN.43 and 43.R. and Ground Position Lights SN205 and SN278 will be recovered.

New signals will be brought into use and additional aspects introduced as shown on the diagram overleaf. B.R. A.W.S. inductors will be provided as shown.

Telephones giving exclusive communication with the Signaller at Swindon Panel will be provided at all signals capable of displaying a red aspect.

Track circuits will be adjusted accordingly.

Occupation of the Panel will be required for the purpose of altering and testing the interlocking.

A copy of this notice to be issued to all trainmen on the section of line.

for J.R. Barker

## DIGITAL ARCHIVE

This PDF Copy has been provided free of charge by David Allen in order to assist your research into UK signalling.

This file is one of a number scanned by David Allen using material from his own collection and from the collections of Phil Deaves, Robert Dey, David Ingham, Simon Lowe, John McCrickard, John Midcalf, Richard Maund, Richard Pulleyn, Roger Newman and Chris Wolstenholmes. Thank you one and all. Many of the original documents are now in the SRS Archive or at the National Railway Museum.

You may also like to provide copies of Signalling Notices and Weekly (and periodical) Operating Notices or other notices as scans or as originals. The SRS is always willing to accept donations of any signalling or signalling related material for inclusion in the Society's Archive. Please contact the [Archivist](#) in the first instance.

For a list of PDFs currently available visit the [Archives](#) pages of the SRS Web Site.

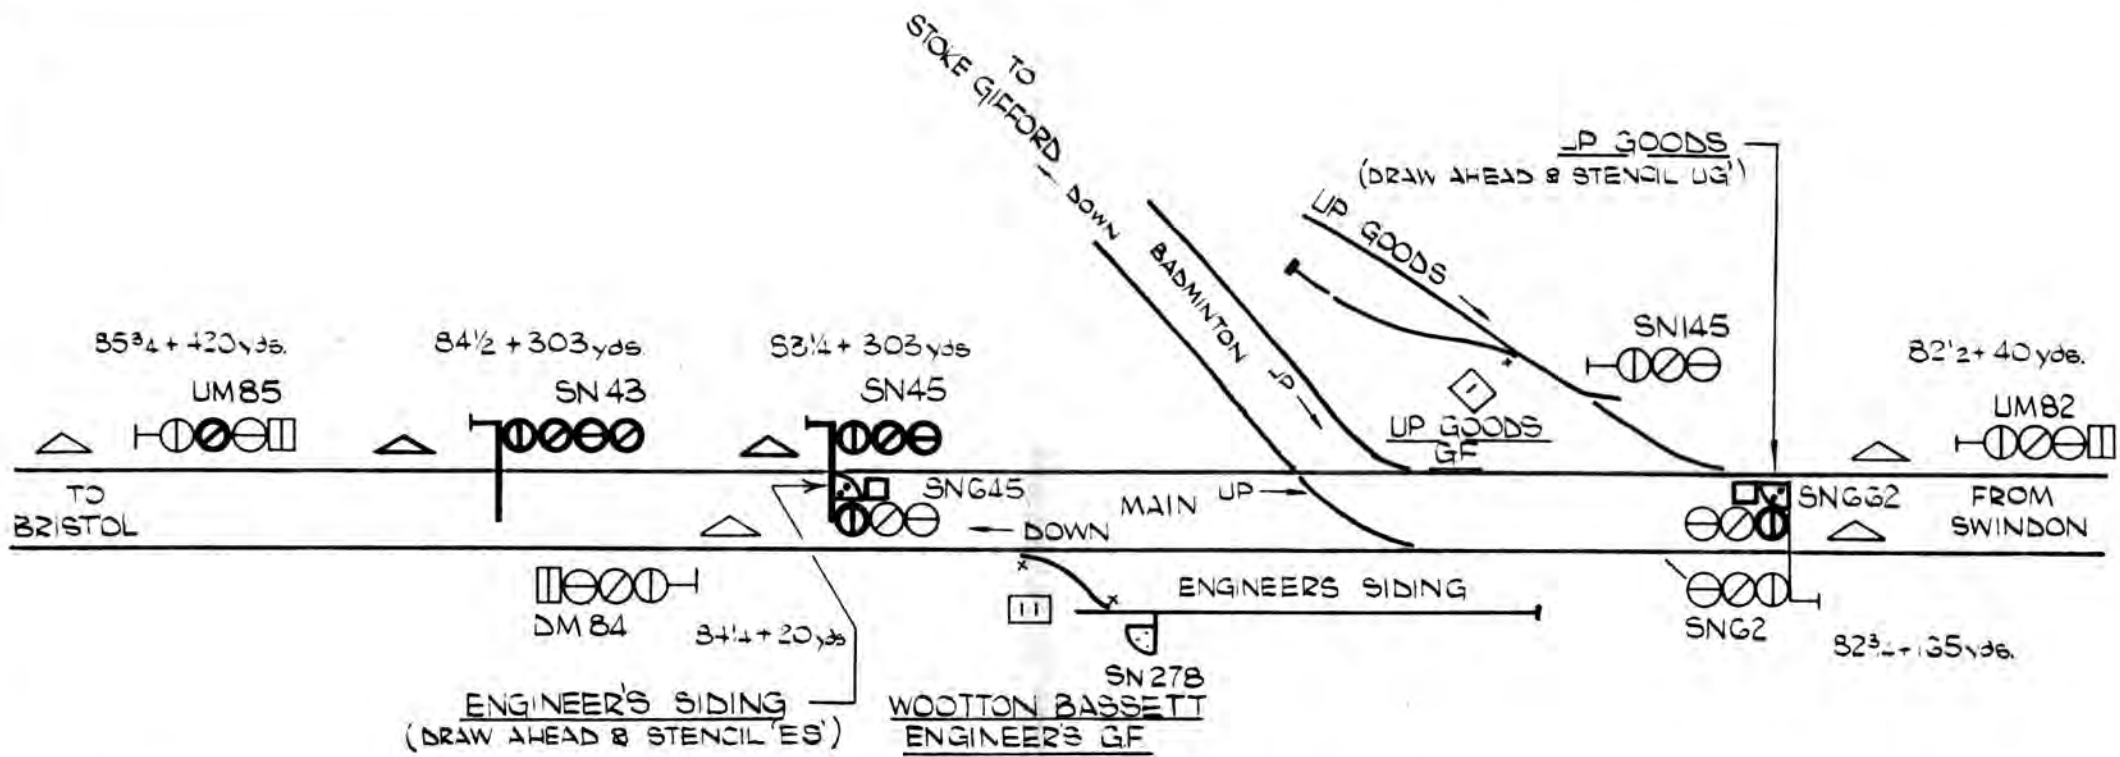

If you have benefited from this PDF copy, why not [join](#) the Signalling Record Society and receive support for your researches and access to the Society's Archives

Members receive "The Signalling Record" six times annually plus a newsletter and have the opportunity to purchase SRS [books](#) and other [publications](#) at a discount. They also have access to back issues of The Newsletter and The Signalling Record which are only available to members. These contain a wealth of information accumulated since 1970, much of which is not readily available anywhere else.

In addition, Members have the opportunity to join signalling related visits to locations on the UK national and London Underground systems; and to other UK Railways.

**To join the Signalling Record Society visit**
