NOTICE No. 11.XO.182

BRITISH RAILWAYS - WESTERN REGION  
(For the use of employees only)

NOTICE TO TRAINMEN ETC.  
SIGNAL ALTERATIONS

READING PANEL - MORETON CUTTING  
SATURDAY 13 SEPTEMBER TO MONDAY 15 SEPTEMBER

Between 22.30 hours on Saturday 13 September and 18.00 hours on Monday 15 September or until completion, the Divisional Signals and Telecommunications Engineer will be carrying out the following work:-

The junction at Moreton Cutting will be re-modelled and the signalling altered as shown in heavy print on the attached diagram.

Existing signal R17 will have the capacity to display a single flashing yellow aspect for movement to the Up Relief.

All the new connections will be worked by clamp locks controlled from Reading Panel. Special instructions for the emergency operation of rail clamp locks have been issued separately.

Occupation of the Panel will be required for the purpose of altering and testing the interlocking.

During the occupation the signals affected, Viz:-

R70, R170, R19, R119, R17, will be disconnected and maintained at "danger".

All arrangements for the safe working of the line, including the appointment of any Handsignalmen should be made by the Area Manager, Reading.

## DIGITAL ARCHIVE

This PDF Copy has been provided free of charge by David Allen in order to assist your research into UK signalling.

This file is one of a number scanned by David Allen using material from his own collection and from the collections of Phil Deaves, Robert Dey, David Ingham, Simon Lowe, John McCrickard, John Midcalf, Richard Maund, Richard Pulleyn, Roger Newman and Chris Wolstenholmes. Thank you one and all. Many of the original documents are now in the SRS Archive or at the National Railway Museum.

You may also like to provide copies of Signalling Notices and Weekly (and periodical) Operating Notices or other notices as scans or as originals. The SRS is always willing to accept donations of any signalling or signalling related material for inclusion in the Society's Archive. Please contact the [Archivist](#) in the first instance.

For a list of PDFs currently available visit the [Archives](#) pages of the SRS Web Site.

If you have benefited from this PDF copy, why not [join](#) the Signalling Record Society and receive support for your researches and access to the Society's Archives

Members receive "The Signalling Record" six times annually plus a newsletter and have the opportunity to purchase SRS [books](#) and other [publications](#) at a discount. They also have access to back issues of The Newsletter and The Signalling Record which are only available to members. These contain a wealth of information accumulated since 1970, much of which is not readily available anywhere else.

In addition, Members have the opportunity to join signalling related visits to locations on the UK national and London Underground systems; and to other UK Railways.
