NOTICE TO TRAINMEN ETC.

SIGNAL ALTERATIONS

THEALE

TUESDAY 16 JUNE TO MONDAY 29 JUNE

Between 07.30 hours Tuesday 16 June and 16.00 hours Monday 29 June 1981, or until completion, the Divisional Signal and Telecommunications Engineer will be carrying out the following work :-

New and amended signalling will be progressively brought into use as shown on the attached sketch.

During the occupation all signals and points in the Up Yard will be disconnected as required, and the points will be worked by hand and handsignalling will apply.

Movements into the yard will be controlled by handsignalmen stationed at signals R.802 and R.887 (signal R.887 will be controlled from Reading panel for Up Main trains).

Movements from the yard will be controlled from Reading Panel by signals R.806 and R.893.

Occupation of Reading Panel will be required for the purpose of testing.

All arrangements for the safe working of the line, including the appointment of any Handsignalmen should be made by the Area Manager, Reading.

J.P. Marson
D.M. Reading

DIGITAL ARCHIVE

This PDF Copy has been provided free of charge by David Allen in order to assist your research into UK signalling.

This file is one of a number scanned by David Allen using material from his own collection and from the collections of Phil Deaves, Robert Dey, David Ingham, Simon Lowe, John McCrickard, John Midcalf, Richard Maund, Richard Pulleyn, Roger Newman and Chris Wolstenholmes. Thank you one and all. Many of the original documents are now in the SRS Archive or at the National Railway Museum.

You may also like to provide copies of Signalling Notices and Weekly (and periodical) Operating Notices or other notices as scans or as originals. The SRS is always willing to accept donations of any signalling or signalling related material for inclusion in the Society's Archive. Please contact the [Archivist](#) in the first instance.

For a list of PDFs currently available visit the [Archives](#) pages of the SRS Web Site.

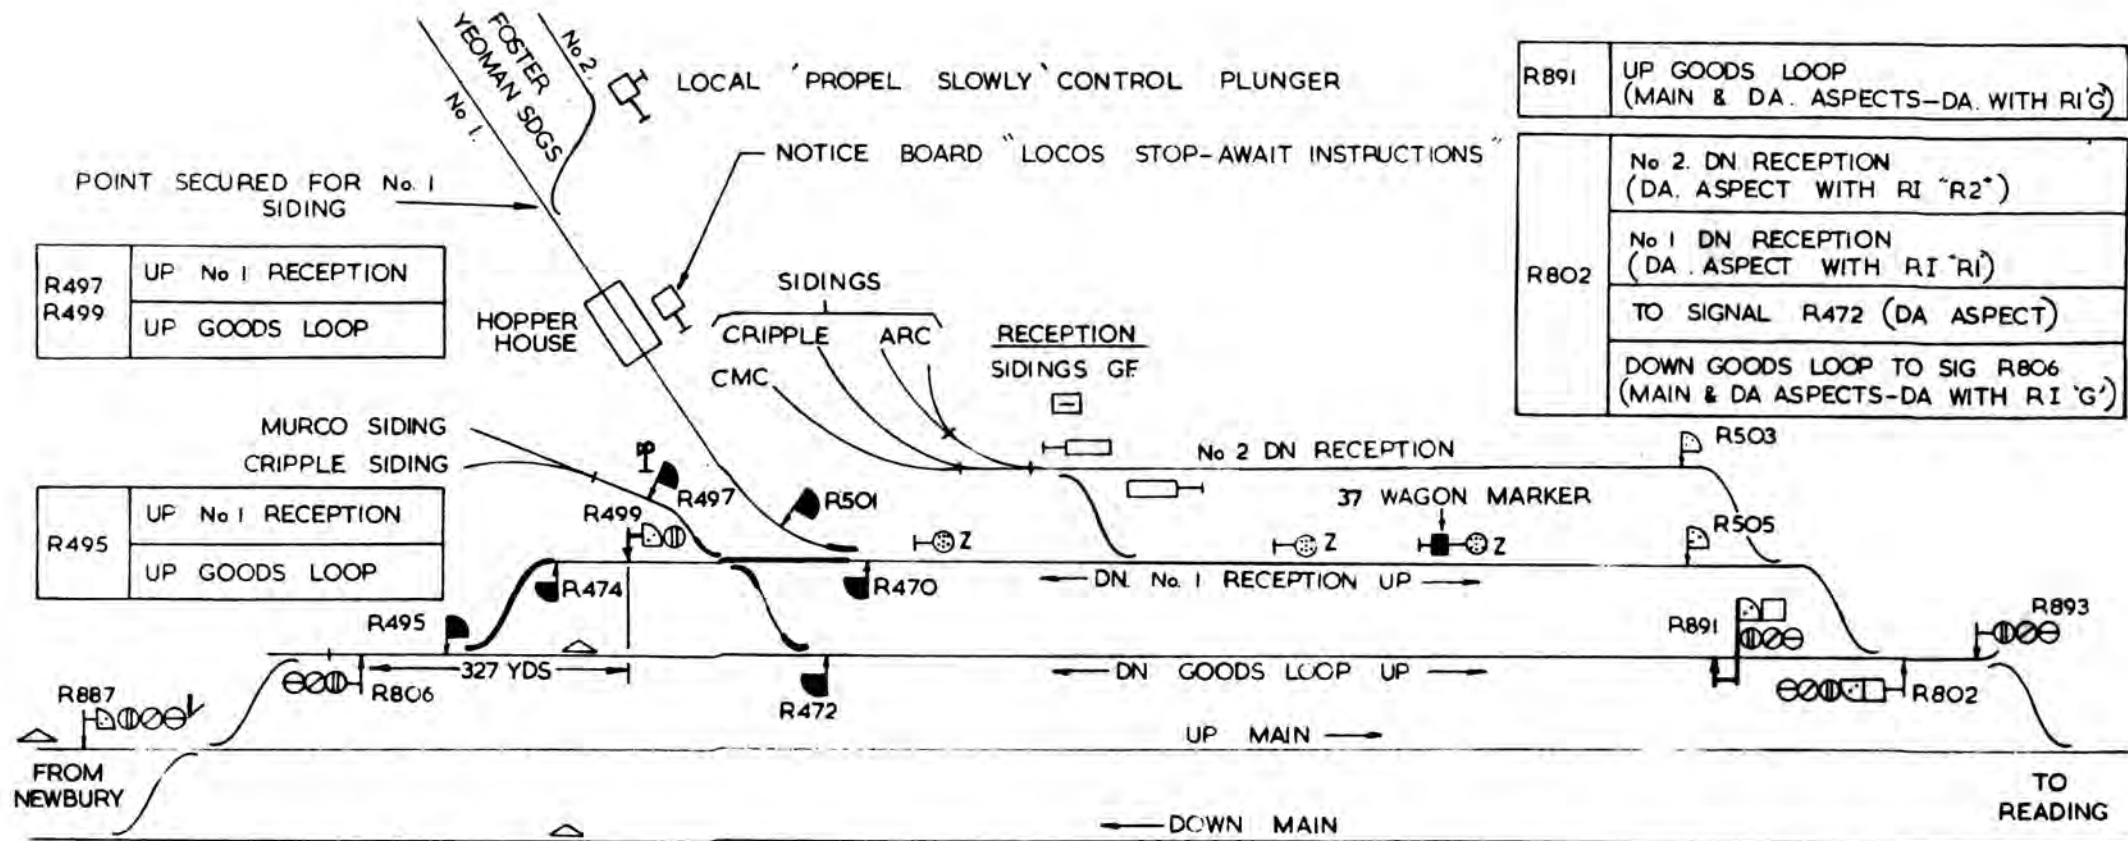

If you have benefited from this PDF copy, why not [join](#) the Signalling Record Society and receive support for your researches and access to the Society's Archives

Members receive "The Signalling Record" six times annually plus a newsletter and have the opportunity to purchase SRS [books](#) and other [publications](#) at a discount. They also have access to back issues of The Newsletter and The Signalling Record which are only available to members. These contain a wealth of information accumulated since 1970, much of which is not readily available anywhere else.

In addition, Members have the opportunity to join signalling related visits to locations on the UK national and London Underground systems; and to other UK Railways.
