Wanton Walls 3 (BR)

Wanton Walls Junction:
Opened 1961 in
connection with enlargement
of Millerhill Hump Yards.
Col. Cobb wrongly describes
this as Monktonhall Junction.
1977 Appendix (pages 106-
107) refer to it as Wanton Walls
(not Wanton Walls Junction);
SC155 (current appendix) just
has a change of mileage..

(off map)
Opened 1866

Resignalled 1961
